To accomplish great things we must not only act, but also dream; not only plan, but also believe.” -Anatole France

The Modesto Marathon was founded to serve the local community by providing top-notch marathon, half-marathon and 5K running events while promoting physical fitness and a healthy lifestyle. Proceeds will benefit the Teens Run Modesto program, which challenges area youth, especially those at-risk, to experience the benefits of goal-setting, character development, adult mentoring and improved physical fitness through a structured training program culminating in the running and completion of the Modesto Marathon.

The Modesto Marathon committee, in conjunction with the ShadowChase Running Club of Modesto, is also offering an adult training program to encourage family participation and improved community fitness.

The Modesto Marathon and Teens Run Modesto programs are seeking sponsors. Title sponsorship levels are:
